Re: WC Docket No. 11-42 - Lifeline and Link Up Reform and Modernization
NOTICE OF EX PARTE PRESENTATION

Dear Ms. Dortch:

On December 1, 2011, undersigned counsel for TracFone Wireless, Inc. ("TracFone") spoke by telephone with Kimberly Scardino, Deputy Chief, Telecommunications Access Policy Division, Wireline Competition Bureau. During that conversation, Ms. Scardino asked whether TracFone is required to have applicants for Lifeline enrollment produce photo IDs in any of the states where TracFone provides Lifeline service as a designated Eligible Telecommunications Carrier ("ETC").

TracFone does not ask Lifeline applicants to produce photo IDs in any state and it is not required to do so in any state. TracFone has concluded that its current practice of requiring Lifeline applicants to provide name, address date of birth, and Social Security Number (last four digits) is sufficient to confirm the customers' identity and to reasonably assure that customers are not providing false information at the time of Lifeline enrollment.

Pursuant to Section 1.1206(b) of the Commission's rules, this letter is being filed electronically. If there are questions, please communicate directly with undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
